

Please DO NOT change the NJ DO NOT CALL list. It has been wonderful. I had to take my home phone off the hook or turn the ringer off because it had become so unbearable. Now I am finally free to use my home phone again. I think as a law abiding citizen I should have the right to use my home phone. I had become a prisoner who couldn't leave the ringer on or had to keep the phone off the hook. What about my rights? It's not always about big business!!!
